Section 814. Architectural Board of Review. Powers and Duties.

There shall be an Architectural Board of Review composed of nine (9) members, four of whom need not be electors or residents of the City, notwithstanding Section 802 of this Charter. At least two (2) members of such Board shall be licensed architects, and at least three (3) other members shall possess professional experience in related fields, including but not limited to, landscape architecture, building design, structural engineering or industrial design. Four (4) members shall constitute a quorum, one (1) of which shall be an architect. The Board shall have the power and duty to:

(a) Review and approve, conditionally approve or disapprove all applications for a building permit for the erection or exterior alteration of any type, nature or kind of building, structure or sign that may be specified by ordinance as requiring such action within any area, district or zone of the City, except for those applications subject to review by the Historic Landmarks Commission. Any application for a building permit, except for those applications subject to review by the Historic Landmarks Commission, for the erection or exterior alteration of any such type, nature or kind of building, structure or sign within any such area, district or zone shall be referred to said Board before issuance, together with plans, elevations and site plans therefor. Any applicant may appeal in writing to the City Council from any action or decision of the Architectural Board of Review, whereupon the City Council may approve, conditionally approve or disapprove such application and the decision of the City Council shall be final. No such building permit shall be issued except in accordance with the approval of the Architectural Board of Review, or on appeal of the City Council. The City Council shall, by ordinance consistent with this Charter, implement the provisions of this section.
